- 2- Read the following texts. Be careful and pay attention to the words you know. Then write the information from the texts in the chart below. You must write what they eat during the different meals at the day. (Lee el siguiente texto y luego complete el cuadro de acuerdo a lo que lees)**

Felipe

In the morning, I usually eat some eggs with tea. Today at lunch, we ate rice and we had orange juice. During the dinner, we had my mom's birthday and we ate a cake made by my dad. It was good.

Sandra

I don't like waking up in the morning, but breakfast is always good. The cereal I ate during the morning was excellent. At lunch, we had French fries with burgers so we ate a lot. At dinner we had something less healthy. I ate bread with cheese and then a cup of tea.

Luis

My day is very long, so in my breakfast I drink a cup of coffee with some eggs. At lunch I don't have time to go home so I take a sandwich with me and that is my whole lunch. Finally, at dinner I drink a cup of tea and I order a pizza. I needed it.
